- Agency business

We offer our expertise in **e-commerce, social media and events** to foreign brands willing to succeed in China: Rougié, Brocéliande, Maison Le Star, Pierre & Vacances, Régilait, Candia, Campanile, Cheese Republic, Confee, Le Bordelais and more to come...

- Own media & e-commerce websites

One of the most influential KOLs for French food & lifestyle.
Our ambition : launch every 6 months a new e-commerce business and become a **food tech leader in China**.
To achieve this goal, we need you!

Our events are held at night and/or during week-end. Let me show you an overview of these events :

▲ French diners in many restaurants in Shanghai !

Here are 2 good reasons why you should join us

1 - You will have great responsibilities and gain experience ;)

Responsibility: Wanna join a dynamic and rapidly growing start-up? If you love challenges and wanna be a part of our growth, you're at the right place! Working in a start-up not only requires a certain autonomy on missions placed upon you, but also to carry responsibilities as well as the stress that comes with it.

Learning and experimenting: You will work hard with different tools, you will sometimes fail but most of all you will learn, you will see what works and what doesn't!

Working in a multicultural environment: Our team is composed of Chinese and French people!

2 - You will have interesting missions, if you accept them of course!

Events

- Organize and host events then ensure its follow-up
- Writing of marketing content related to events (select participants and report of the events on social networks, promotion of the events to our clients)
- Prospecting and managing different persons (participants, speakers, service providers)
- Other missions : help to e-commerce management (preparation of clients' orders, managing online shop)

Media management

- Teams coordination (translators, correctors, community managers)
- Management of publications planning
- Creation of WeChat content

Are you the one we're looking for?

- Feeling at ease with speaking, being organized, autonomous, able to handle stress well.
- Working languages : French and English. Chinese is a plus.

It fits you ? Write us !
